	Members of the Public	1
Apologies	Mrs L Weavers	Councillor

109. Apologies and Absences – Cllr Weavers

110. Declarations of interest or lobbying – Cllrs Dilley and Dalton declared their interest in the lighting in Sailing Club Road if it extends beyond the parking area

111. Minutes of Previous Meeting - The minutes of the meeting on 11-9-17 were agreed and signed by the Chairman

112. Questions from the Public – It was requested that the Chevening Mailer carry copies of the minutes and agenda when available to broadcast the content of Council meetings to a wider audience. It was resolved to implement immediately

113. Open Spaces

a) **Open Space Inspection**

b) **Playground Inspection**

c) **Himalayan Balsam.** The extent of Himalayan Balsam on Parish Council land was discussed. It was resolved to get professional advice as to when to deal with it and have a working party to attempt to eradicate it if the advice confirms that is the correct way to deal with it. The ongoing presence of Himalayan balsam may be a flood risk

Clerk

114. Playground on Chipstead Common – Feedback from Agenda item 116 suggested a play area as one of the preferred initiatives. The Council also discussed whether Adult gym equipment may be a possibility. The Parish Council resolved whether to pursue putting a playground on Chipstead Common. The first stage will be to discuss proposed options (existing playground like Chipstead Recreation Ground or Adult Gym) with Riverhead PC to gain their feedback

Chairman

- 115. Open Spaces Tenders.** It was resolved to appoint the existing contractor MDH Horticultural Services as the Council's open spaces and gang mowing contractor for a 4 year term from 1-1-2018 Clerk
- 116. Lights in Sailing Club Road** The proposal to put lighting down Sailing Club Road was unanimously rejected following feedback from the Parish. It was proposed that guidance should be obtained on ways to make the parking areas less susceptible to crime and to erect notices advising that thieves operate in the area. Clerk
- 117. Parish Survey Update** Cllr Burgess presented a summary of her recommendations regarding a Parish Survey. The premise is that many people do not understand the scope of the Parish Council, what they influence and what they deliver on behalf of Parishioners. Her recommendation is to use social media as an additional channel to reach those Parishioners who do not receive the Chevening Mailer. As it has been 5 years since the Parish Plan was created and an extensive survey of the Parish undertaken the Parish Plan steering committee will also begin to meet more regularly and Cllr Burgess has been invited to attend as Council representation
- 118. Highways Issues**
- a) **20 mph in Chipstead** KCC have advised that a further detailed design document is required before any new signage can be implemented. There are flashing signs up Brittain's Lane and Oak Lane which were erected after requests from the Speed watch teams in the area. They were paid for by the Kent County Councillor for Sevenoaks, Margaret Crabtree, from her Member's Fund.
- b) **Chevening Crossroads** Chevening Estates (Cluttons) are looking to introduce speed restrictions at Chevening Crossroads. The Council resolved it's support for such a move as the crossroads is so dangerous. This could also be of assistance in extending a 20mph limit past the School
- 119. Correspondence Received and General Issues**
- The additional suggestions from Parishioners as alternatives to lighting on Sailing Club Road (Agenda Item 116) were discussed (items a-c).
- a) Those which are firmly the responsibility of other authorities (KCC) must be pursued with them. These were potholes, the signage and white lining by the George and Dragon and roundabout at the A25/A21 junction
- b) Improving lighting on Homedean Road. The cost of installing additional lights along the road will be investigated
- c) Phone box in Stairfoot Lane. Clerk to contact BT to confirm our intention to take over the box when it is decommissioned to potentially use it to house a defibrillator
- d) The harnessing of hydroelectric power is an ongoing proposal which the Chairman is pursuing. The initiative may not be ready to bid for the first round of CIL money in December but is a potential future item when more details and costings are available
- e) One of the signs at the Rivermere Home on Homedean Road which was refused planning permission is still in place. Clerk to contact SDC Planning for an update Clerk

120. General Information and proposals for Future Agenda Items

- a) Footpath on the North Shore of Chipstead Lake. Cllr Dilley to prepare a response to Mrs Gilbert concerning the footpath on the North Shore

There is insufficient information concerning the affect on the neighbour's garage and how that will be dealt with SE/16/02066/HOUSE The revised proposal differs only marginally from the last version – dropping the proposed new front porch and reordering some of the ground floor.
