AGENDA

Update on the Current Situation

- **Volunteers and Vulnerable** - 39 identified as vulnerable. 94 volunteers. Following an exchange on WhatsApp I am going to suggest Charlotte looks at those self isolating who may want things to help their mental health – the exchange on WhatsApp was someone wanting a company who may deliver bedding plants and compost. It may be worth calling some of the vulnerable too to see if something like that would be of interest then getting a load.
- **Fishermen** Reports on the Chipstead Facebook page of Fishermen being out fishing at night (& overnight).
- **Churchyard and Burial Ground** Notices posted to request no-one enters when the contractor is working and asking people not to tend graves.
